Message From the Alumni Director

Whew, we made it through a hot summer and now we are embarking on our fall here in Louisiana! I don't know about you, but I love the cooler days and nights, and hopefully we will experience it here soon on Bayou Lafourche. This past month we had a great

time with Homecoming and our other home football games. At each Home Game, the Alumni Federation partners with Athletics and present an Alumna or Alumnus of the game. We do this to acknowledge their support, highlight their accomplishments, and show them how much our beautiful campus has grown. Congratulations to Deborah Raziano, Coach Clements, and Donna Martin for being honored as Alumni of the game.

If you have not renewed your membership with the Alumni Federation, please do so now. We have made it easier to pay online and we have Chapter(s) that you can join as well, just click [here](#) . We want to be YOUR voice on campus and I look forward to getting you more involved next year as Nicholls State University will begin celebrating its 75th Anniversary.
